

AIR FILTER FLUID & AIR FILTER SPRAY AEROSOL

Protection For Foam Air Filters - Dust & Water Proof

Description

Air Filter Fluid and Air Filter Spray are used by professionals. Their special formula guarantees a complete protection for all foam filter types. Air Filter Fluid and Air Filter Spray are a 100 % waterproof coating which captures small, airborne particles, of dirt in the filter and thus prolonging the engine life. It ensures that clean, filtered air is supplied to the engine. Can be used under extremely dry and dusty road conditions.

Available in

Cartons of 12X500 MI (Aerosol) and 24x1 L.

Application

Cross, endure and road-engines.
